**PLAYING SQUASH & RACKETBALL FOR 24HRS
TO RAISE FUNDS FOR CANCER RESEARCH UK**

The marathon session starts at 6pm Friday, 20th June and runs through until Saturday, 21st June 6pm, with people playing squash or racketball for the full 24 hours.

The aim is to raise money for Cancer Research through 24 Hours of continuous play. All abilities are welcome. Ideally, people should commit to the full 24 hours, We will also want people to get involved if they can only dedicate a few hours.

Summer tennis is now fully underway, and the vibe at the club in our outdoor space is buzzing. The Friday league is on show for all to watch and is a weekly fixture until the final week on 18th July. I am delighted to say that from now until the end of week, we will be offering food all evening from 6pm, so you can stay and feed the family while you enjoy a drink in the sun.

Summer tennis is in full swing, and there's a fantastic buzz around the club's outdoor area. The Friday league is a highlight each week, running right through until the final matches on 18th July. I'm excited to share that from Friday, 6th June until then, we'll be serving food every Friday evening from 6pm—perfect for enjoying a meal with the family while you relax with a drink in the sunshine.

The sunny spring weather is also powering the club! Last November, the club successfully bid for a grant from WECA to enable the club to invest in solar panels on the new roof. The solar panels were not on the development path presented at the AGM. However, with the offer of the WECA grant, the Board's analysis determined that the investment of solar panels funded by a loan could be repaid within 3-4 years. Therefore, not impacting the short term financial sustainability of the club or the development plans.

The 1st month of generation has been very successful with the panels generating more power than the club used. The 1st full month of billing since the solar panels was £1120 compared to £3225 for the same month last year.
