If any ladies at the club would like to get involved, please contact Katie Lloyd 07540298768 or Alisha Bhanot 07584486879

**YOU DID IT!**

Our club has topped the LTA's September PledgeBall league and won £500 to spend on any sustainability project. Members pledged to sustainable actions, like taking a reusable water bottle when you go to play or car sharing. Every pledge earned us points and we ended up smashing it! We're looking at the best way to spend the money and all suggestions are welcome.

Apart from the welcome cash win, we hope the Pledgeball success has raised awareness in the club of our commitment to become more sustainable and ethical. You may also have noticed the trial of Two Farmers crisps at the bar, a brand that comes top in many sustainability rankings. In big ways and small, we're making changes for a better future.
