Upcoming Club Events & Information

IN THE WORLD OF TENNIS

The junior coaching program is back and in full swing after the summer break.

Half-term holiday camps are now available to book [here!](#)

The Autumn program for weekly adult coaching and Cardio is fully open, please [click here](#) to book your session

On Saturday 9th November, we will be hosting the Tennis and Padel Celebration at The Redland Green Club. It will be an evening of delicious food, games and awards. ALL ARE WELCOME, whether you just play socially or compete for our teams, it would be great to see as

many of you there as possible

Women's Tennis Ladder

Along with the main mixed Tennis Boxes we have established a Women Only Tennis Ladder. Members can of course play in both or either as appropriate.

The Women Only Tennis Ladder has been created in part to encourage existing and newer members to participate in competitive singles games, if not feeling ready yet to get stuck into the main boxes where competition can be fierce; it also allows players to arrange matches to meet players that they otherwise may not.

The Ladder system allows participants to pick and choose a larger selection of opponents to play against – which also gives greater flexibility on time and availability. It's easier to arrange than getting four together for doubles.

Matches are self arranged and are a single set only with a tie break at 5 all–scored the same as the main boxes.

Interested? Ask at reception or email Alan Peak-Payne at alanpp@btinternet.com

SQUASH & RACKETBALL

Our weekly junior coaching is back on court with the coaches working hard. And the league session

We are delighted to announce we are also hosting the Junior County Champs, This is to be held on Sunday 29th September 2024.

MAKING A DIFFERENCE

COMING TO THE BAR SOON

As part of our commitment to being as environmentally friendly as possible We are trialling the most environmentally friendly potato crisps on the market.

Have your say, there are slips to cast your opinion, if you are happy with these give it a thumbs up if not give it a thumbs down but please write on the back why! Then place your vote in the box on the bar.

Plant Sale

In August two of our leading green fingers wanted to do something we had not done before, a plant sale. Shelia and Rita (who tend to the flower boxes at the club) with the help of their team cultivated a selection of plants and with kind donations others including some veg from the allotments raised £300 for the charity [SecondStep](#). The board then matched the amount raised, increasing the total to over £700 including gift aid.

We would like to thank everyone that was involved in the sale whether you were growing, selling or buying. It would not have worked so well if you

didn't do your part.

Look out for the Spring Sale in the new year!

This September, the club is participating in the [LTA's Pledgeball League](#). Members of sports clubs around the country are pledging to make small environmentally-friendly changes and each pledge wins points for the club. If we top our league, we'll win £500.

To help our club in the league, simply visit our [LTA PledgeBall](#) page and commit to as many of the green actions there as you can.

Our participation in the PledgeBall league is part of the club's commitment to becoming more ethical and sustainable. If you'd like to help us on this journey, email environmental@redlandgreen.co.uk.
