#### Coaching Team Update

We would like to share some important news with our members.

Dom Stones will be leaving our coaching team to take on an exciting new role running a tennis program in Winscombe. We'd like to thank Dom for his commitment and contribution to our club, and we wish him every success in this next chapter of his coaching career.

In the meantime, we have asked Callum to support us by overseeing the performance and adult side of

the program until the New Year, while we take this opportunity to review the structure of our coaching team moving forward.

We will keep you updated on developments in the coming months.

## DEVELOPMENT UPDATE

### Temporary Studio Closure & Exciting Reopening as a Shared Space

As part of our ongoing commitment to meet the needs of our members, we are excited to share that the current studio space is undergoing a renovation so it can once again be used as a squash court. This change comes in response to the **growing demand for peak-time squash courts at the club**, while still ensuring the space can continue to support classes and workouts.

To prepare for these changes, the studio will close for refurbishment on **6th October 2025** and will not be available for classes or general use during this

period. The space is scheduled to reopen on **18th October 2025** as a shared facility.

Here's what to expect once it reopens:

- **Squash Court Bookings:** The space will be exclusively reserved for squash use during the following times:
  - Monday – Friday: 4:15 pm – 8:45 pm
  - Saturday: 9:00 am – 2:00 pm
- **Classes & Workouts:** Outside of the above times, the studio will continue to operate as it does now, available for classes and workouts.

Thank you for your understanding during this short closure—we're excited to bring you a refreshed space that better supports our classes and growing squash community.
